

Accelerator

Getting Started Right with Interact

The expert know-how that helps companies set a solid foundation for enhancing their Intelligent Automation program with Interact.

What is a Success Accelerator?

Discover new ways to grow your business through operational efficiencies, improved customer satisfaction, revenue opportunities and more to accelerate the timeline for achieving the vision of what a digital workforce can do for your business.

Why choose the Interact Accelerator?

The Interact Accelerator enables you to create a solid foundation for Interact that's built for long-term goals, defined success criteria and is therefore able to generate value very quickly. This package is a combination of expert advice and quality assurance to help you optimize the installation, configuration, and initial use of Interact.

What to expect:

- Assistance with installation and configuration of Interact
- Thoroughly upskill your team on Interact
- Provide instruction on the best ways to design and use Interact
- Use Case analysis
- Uncover new processes to add to their pipeline that were not possible prior

VALUE AND OUTCOMES:

- Thoroughly upskill your team on Interact quickly
- Combination of expert advice and quality assurance
- Ensure each step adheres to the key principles of re-use, scale, resilience, and efficiency.
