

Blue Prism® Accelerators for use with SAP® ERP

Increase ROI on SAP Automations

What if you could have twice the automations at half the cost? Our prebuilt automations reduce your development time and accelerate your digital transformations – right out of the box.

Blue Prism® Accelerators for use with SAP® ERP

We know you want to accelerate your operations and migrations for both ECC and S/4HANA, while also significantly reducing costs and increasing efficiencies. It's why we bring you prebuilt automation components that mimic human user interactions.

 **PREBUILT REUSABLE SAP® OBJECTS:**
Library of Blue Prism visual business objects (VBOs) of common SAP® transactions.

 **FOUNDATION ACCELERATOR:**
Prebuilt automation templates at the T-code level to support your unique SAP® ERP operation needs or S/4HANA migration projects.

 **EASY TO USE AND FLEXIBLE CUSTOMIZATION:**
Prebuilt automations that can be easily modified to support your varying level for customizations.

SAP® OPERATION AND MIGRATION CHALLENGES

- High Migration Costs
- Migration Complexity
- Skills Shortage
- Many Manual Tasks
- Development Time
- Data Complexity

Blue Prism Value

Our Accelerators were designed by a team of intelligent automation industry experts using hundreds of prebuilt SAP® automation components. This includes competencies of financial accounting, sales and distribution, materials management, and many other SAP® modules. Now you can deploy our SAP® digital workforce to solve the human labor shortage and upskill your current workforce (human or digital).

|  Acceleration |  Quality |  Lower Maintenance |
|---|--|--|
| Prebuilt VBOs speed up automation development by 50% or more for faster intelligent automation solution adoption. | Prebuilt with Blue Prism best practices to ensure quality standards that promote reliability and scalability | Easily modifiable using SAP® identification mode to support SAP® customizations resulting in lower maintenance costs |

Accelerators for use with SAP® ERP at Any Step of Your Journey

BEFORE MIGRATION

If you're not **READY** to upgrade to S/4HANA, accelerate current operations to set a baseline for SAP® transformation in the future. Once your organization is ready to upgrade, competencies can be reused in future environments.

DURING MIGRATION

If you are **READY** to upgrade S/4HANA, enable a team of Blue Prism digital workers to accelerate operational business processes and migration activities in support of a digital transformation journey.

AFTER MIGRATION

If you've **ALREADY** upgraded to S/4HANA, use Blue Prism to enable emerging technologies and realize the benefits of intelligent automations.
